WORK EXPERIENCE

Hamari agency - Bolton, UK

Jan 2022 - PRESENT

Fullstack Web developer

Remote

- Developed and maintained applications using **JavaScript, TypeScript, React, Gatsby, Pimcore, AWS Lambda, and AWS EC2.**
- Worked with **MySQL and PostgreSQL databases** for data storage and retrieval.
- Designed responsive UI components using **Bootstrap, Tailwind CSS, CSS, and SCSS.**
- Integrated and customised **Shopify-based eCommerce solutions.**
- Implemented unit testing with **Jest** to improve code quality.

YourFlock - Manchester, UK

Dec 2017 - Jan 2022

Fullstack Web developer

Remote

- Migrated and maintained the company's **dashboard from Codelgniter (PHP) to React with Redux.**
- Handled **complex statistical calculations using Python** to improve survey analytics.
- Managed hosting migration from **Digital Ocean to AWS EC2 and AWS RDS** for better scalability.
- Developed and optimised key features for **survey creation, logic processing, and user analytics.**
- Improved UI responsiveness and styling using **Bootstrap, jQuery, CSS, and SCSS.**

IriselCT - Ilorin, Nigeria

Sept 2014 - Jun 2018

Fullstack Web developer

Part-time

- Developed **PHP and Codeigniter** applications
- Built interactive frontend elements using **JavaScript, jQuery, and CSS** to enhance user experience.
- Managed **MySQL databases** for web applications and client solutions.

EDUCATION

University of Ilorin - Ilorin, Nigeria

Oct 2013 - Apr 2017

Bachelor of Engineering

PROJECTS

Stockbeep website

Jan 2023 - Oct 2023

 <https://stockbeep.com>

- Migrated an existing **PHP application to CodeIgniter 4** for better maintainability.
- **Improved data update intervals to less than a second**, ensuring real-time stock market insights.
- Designed and optimised **mobile-friendly layouts** for better accessibility.
- Built an **admin panel for user management**, streamlining account handling and permissions.
- Implemented **advanced filtering and symbol search functionality** to enhance stock lookup efficiency.

Hamari agency website

March 2020 - Jul 2020

 <https://hamari.agency>

- Developed a **static site using Gatsby.js**, ensuring fast load times and SEO optimisation.
- Integrated **Contentful CMS**, allowing non-technical users to manage content efficiently.
- Built **responsive UI components using React, TypeScript, Bootstrap, CSS, and SCSS**.

ADDITIONAL INFORMATION

- Open to **freelance, remote, and full-time opportunities**.
- Passionate about **building scalable, high-performance web applications**.
